LAST REFERENCE Letter No. 710 dated 11th June 1902 L 2160 from the President of the Kolar Gold Fields Sanitary Board.

On the 20th May, 1902 One Chowtry residing at Stephen's Camp, Marikuppam, Kolar Gold Fields, wired to the Dewan complaining of the removal of tiles from the roof of his house by the Sanitary Board and stating that his petition on the subject addressed to the Deputy Commissioner has not been disposed of.

3. The President submits his letter No 710 dt 11th June 07 in reply to the above. It appears that the dust in question was on the premises of the Jodidar of Gowmalkanhelli, that the dust was in an insanitary condition and that the same was dismantled on a representation made by the Jodidar after giving due notice to the petitioner

4. From the Copy of report of the Civil Surgeon on the Kolar Gold Fields (Mr Ethirajulu Naiduy Aiyar) it appears that the petitioner is a bad character and a source of danger to the peaceful & law abiding portion of the community in a locality near the site

reports that the hut in question
was demolished on the recommenda-

action of the Sanitary Board was
not due to the representation of the
Jodidar, that the Jodidar was served
with a notice to have the ground, on
which the hut in question stood, cleared,
that, as he was unable to do so, the
Sanitary Establishment had to under-
take the removal of the roof in the interests

May the Petr be informed that the Govt decline to interfere in the matter for the above reasons.[2]

(Returned to the Deputy Commissioner Kolar district with the report that on a recommendation from the Civil Surgeon, H. G. Fiddes that all the insanitary and isolated huttings should be moved either into the settlements or villages for purposes of plain and sanitary administration of the fields a number of huts including the tile drive belonging to the applicant were ordered by the Sanitary Board to be moved into the Stephens Camp settlement. The allegation that the land belongs to the applicant is false. The applicant had her tiled hut in an insanitary condition and the owners of the land viz the Jodidar of Gonimakal lally requested the authorities to have the man removed out of his property. The man was given due notice and his hut had been dismantled by the Sanitary Overseer. The man and his family still lives in a hovel near the site. I request he may be given a site in Balganpally Block and ordered to remove himself there. He is a bad character and a source of danger & peaceful coolies.

Most Humbly Showeth:—

I the undersigned by most respectfully and humbly to inform your honor Kind and Generous Justice.

That I got a land from Jodthar of Gollapally, Kolar Gold Fields, agreeing to pay Kandayam Rs 16 per annum 15 years ago for Cultivation. That the place was in that time in a bad Condition and lonely and I settled the land for Cultivation, then I requested the Jodthar to permit to build a house for shelter in the said land, according to his order I have spent nearly 300 Rupees for the building. I have paid the Kandayam correctly. The reason of my building the said house to take care of my crops without stealing by Company servants The then Dy. Commissioner have come to the place for inspection, and they were pleased and Confirmed my house to have there. Few months ago, owing to my infirm old age of 80 years, the Secretary Board Authorities of Kolar
